Subject: story of torture and murder by white forces in S.AFRICA police services uncovered

Hello there

Should you be interested on the above story please contact me

I published video footages on you tube that I secretly recorded while served as reservist policeman with the notorious Cato manor death squad unit in S.AFRICA fled by night feared of my life.

I am currently been protected by Amnesty int,and asked by the public prosecution office to become a witness on the trial and enter the witness protection program.
