The meetings, interactions and events described in this book are in the public domain in one form or another – via sources ranging from affidavits, forensic reports, court submissions and official inquiries to media coverage and opinion pieces. In some cases, parties have been offered right of reply in terms of the issues raised in these pages. The responses have been incorporated where appropriate.

Every effort has been made to ensure the factual accuracy of the contents of this book, but should any errors have occurred, the publisher and author apologise and would welcome any information that would enable them to amend any mistakes in future editions.
