Dear Director Kennedy

I would like to respond to your letter which I received on the 2008-09-01 via email.

Thank you for the opportunity to respond. I have been a reservist for nine years. During this time I had made numerous arrests and recoveries. I have assisted the police in several investigations. I was promoted to the rank of Reservist Sergeant on 2002.

I have applied on several occasions for promotion to the rank of Reservist inspector. It has been a frustrating process. On one occasion my application was lost and I was asked to re-apply nearly two years later. Suffice to say in spite of many enquiries verbally and in writing about my promotion I was told recently that I cannot be promoted because of transformation. Maybe I over reacted by speaking to the newspaper and for that I apologize. I love my work as a Reservist and I ask to recognize my loyalty and dedication by promoting me.

If you study my records you will see that if I had been promoted on my due dates that I would be eligible for promotion to the rank of Captain now.

I appreciate your time and wait your respond to the matter.

Yours truly

A.DANIKAS
