Greetings Nair

I hope you are keeping well.

I am contacting you today to ask you to make right of a wrong .

In 2013 you published a fake news story about me that was instigated by no other than Booyesen.

<https://www.iol.co.za/dailynews/news/he-killed-my-son-1484754>

I see that last month it was deleted but it reappeared .

I proved to you then that it was a fake allegation, orchestrated by the same person I blow the whistle on Human rights violations.

You chose to run the story .I get it, it circulates, and you did give me the right of reply.

However, 8 years later the story has been proven fake. Also, the link to my reply is broken.

I am asking you to retract this particular story .An apology would have been nice as well.

Nair you should understand that I am a Whistleblower that refused to become a racist, torture and follow an Afrikaner culture that hated any other colour but white. You come from a minority ethnic group yourself in SA and surely you have direct or indirect unpleasant experience of "White racist culture in SA"

I was punished for trying to serve good to my community and become the escape goat of politics and mistakes of others.

In recent news you should be aware that Martin from Noseweek realised that he did me wrong, got played by Booyesen and is willing to get it right. All though he is bankrupt he is willing to publish the truth digitally. We are speaking at the moment about this .John Clarke is also involved.

Jaques Pauw was discredited and fired from DM.

Dm published my apology and right of reply.

There are many active movements at the moment internationally and locally that support me, rest assure that the truth about Cato manor and Booyesen will come out even if it will make a lot of people and journalists unhappy.

I will recommend that you watch the following :

<https://www.youtube.com/watch?v=nijeYaiDGgQ>

It explains it all.

Then I will ask you to read International articles that have investigated my story and spoke to Booyesen here :

<https://www.euronews.com/2018/12/04/south-african-cop-escapes-to-greece-after-blowing-whistle-on-police-brutality>

[https://www.thenationalherald.com/archive\\_general\\_news\\_greece/arthro/south\\_african\\_cop\\_death\\_squad\\_whistleblower\\_lands\\_back\\_in\\_greece-256311/](https://www.thenationalherald.com/archive_general_news_greece/arthro/south_african_cop_death_squad_whistleblower_lands_back_in_greece-256311/)

You should know that to attack and discredit a Whistleblower by fake news media retaliation, for trying to serve his community by revealing extra judicial killings, torture and racism is unethical and immoral.

I will ask you kindly to retract and apologise.

Best Regards

Ari Danikas
